## **CONCEPT NOTE**

### **About Logistics Sector Skill Council**

Logistics Sector Skill Council, (LSC) a not-for-profit organization registered under Sec.8 of Indian Companies Act,2013 set up by Ministry of Skill Development & Entrepreneurship (MSDE) / National Skill Development Corporation (NSDC) and Confederation of Indian Industries (CII) with the aim to ensure skill trained Human Resource at entry level and up-skill the logistics workforce.

LSC works with all stakeholders, including industry players, government agencies, training providers, and academic institutions, to identify the skill gaps in the logistics sector and design training programs to address those gaps. LSC is an approved awarding body of NCVET. Logistics Sector Skill Council is governed by its Governing council comprising eminent Captains of Industry.

LSC have trained and assessed more than 8 lakhs candidates from its Inception (2014). The skill training programme in Logistics is in line with the documented procedures. The Training curricula have been developed by LSC involving industry experts and approved by NSDC. The training programme includes a wide range of technical and non-technical skills. Accredited trainers from the designated fields deliver the training.

The Logistics Sector Skill Council (LSC) stands as a beacon of commitment towards skill development and societal progress. As a CSR-compliant organization, we hold certifications such as 80G, 12AA, and CSR 1 and are eligible for CSR funds, which we fruitfully utilize to drive impactful initiatives contributing to the betterment of society.

LSC works with all stakeholders, including industry players, government agencies, training providers, and academic institutions, to identify the skill gaps in the logistics sector and design training programs to address those gaps. LSC is an approved awarding body of NCVET. The Logistics Sector Skill Council is governed by its Governing council comprising of eminent Captains of Industry.
